BULLETIN

March 7, 1940.

To the Town Clerks of the 31 cities and towns on
the Old Colony Division of the New Haven Railroad.

Gentlemen:

One of the points we plan to stress in our fight
against the proposed abandonment of the Old Colony division
in the coming weeks is the historic background of the 31
cities and towns which will be affected if the petition to
discontinue service is granted.

These in themselves are among the attractions of
your community and in their way are an inducement for resi-
dence in the numerous communities in the entire area.

So this information may be available for speedy re-
ference would you be able within the next few days to pro-
vide us with a list of these points, together with a thumb-
nail sketch of their importance from a historical standpoint?

There undoubtedly will be opportunity to make refer-
ence to them in the publicity which is contemplated, and we
would very much appreciate your cooperation.

Respectfully yours,

OLD COLONY COMMUTERS LEAGUE
