Dear Doctor:

I am enclosing the something I compiled on the Duxbury & Cohasset R.R. a while ago. I am not especially satisfied with it as I had hoped to brighten it up with some local color, which however I was unable to do. If you don't find any use for it, I won't mind.

Dear Dr. Pelham

I have acknowledged & said I would forward it to you
W.D.L.

Yours very truly,

Walter D. Loring
