Town Expects Many Bids for Library Project

Library Director Joanne Lamothe reported this week that as of Tuesday, 62 contractors had picked up bid documents for possible submission to the town for construction of the estimated \$6.3 million library project.

Pre-filed submission bids are due July 16 and general bids are due July 23. An on-site bid conference will be held July 9.

Plans call for awarding the contract in August. Construction is expected to take about a year.

The finishing touches are in place on the library. Workers replaced the crests (or anthimions) last week.
